

ANTI-RACISM WEEK

PICK OF THE WEEK

Views of Islam

In recent years, Muslims across the world have been on the receiving end of an increasing number of racist attacks.

Islamophobia focuses on this growth area in racism, and features top football players, as well as ordinary young people, discussing their experiences and views.

An unwelcome return

More than 60 years after the Holocaust, this documentary explores the history of anti-Semitism and looks at the reasons behind a rise in anti-Semitism in the last few years.

Send racism off the pitch

Nowhere else do racism and sport collide quite so violently as on the football pitch. But things are changing. In *KS2 Anti-Racism with Manchester United*, the flagship programme in our anti-racism week, football players from Manchester's two big clubs work with local schools to 'Show Racism the Red Card'.
